

# COVID/Safety Protocol

## COVID Screening

If you answer yes to any of the following questions, we ask that you reschedule your appointment:

- Have you had fever in the past 24 hours of 100°F or above?
- Do you have any respiratory or COVID-19 like symptoms (including fever, chills, sore throat, cough, muscle aches, or shortness of breath)?
- Have you been in contact with anyone in the last 14 days who has been diagnosed with COVID-19 or has corona virus type symptoms?
- Have you recently had loss of taste or loss of smell?

Again, if you answered **yes** to any of these questions, we ask that you reschedule your appointment. We apologize for any inconvenience.

---

## Safety Protocols in Place

- Curbside Check-In (Waiting room is currently closed.)
- Safe Entry Protocol with questionnaire & temperature check
- **Masks are Required** in the building (except when face down on the table due to barrier created by the face cradle cover draping)
- GermGuardian Air Filters in each treatment room scrub the air 4 times each hour
- Rooms thoroughly disinfected between each client with EPA approved disinfectant.
- Mask & Smock changes for therapists between each client.
